

Games, Prizes, **SparkVotes Parties!**

Looking to put the “social” into “social distancing” and make sure that all your friends are set to vote? **Host a SparkVotes party on October 17th!**

You'll be hosting one of many (virtual) SparkVotes Parties across campus! Invite your friends for a night of non-partisan, voting-themed games and a chance to win prizes:

AirPods!

gift baskets from:

Roos Roast, Cherry Republic and Bivouac

\$75 gift cards to Sava's

\$50 gift cards to Zingerman's

\$30 gift cards to Cottage Inn Pizza

Each SparkVotes party will divide into two teams and compete in four games played via Google Slides:

GAME 1 : **Count My Ballot**

Race to find the two signatures that match well enough for an absentee ballot to be verified and counted.

GAME 2 : **Not-so-Trivial Pursuit**

“Buzz” in (using Zoom's chat feature) to be the first to answer voting-related questions.

GAME 3 : **Ballot Quest**

Work together in your team's Zoom break-out room with 12 minutes and a set of clues to wind your way through a sample ballot to complete five tasks.

GAME 4 : **Step Up Song Challenge**

Look at steps for a range of voting plans and (silently!) determine your next move. Then, give a hint — through song — to see if others can guess your next step!
